180+ applications under one licensing platform.

CLICK TO FIND AN APA SOLUTION THAT WORKS FOR YOU

## ALL ACCESS. ONE SOURCE. ONE PLATFORM.

- Reduce costs by using the additional solutions already available to you
- Eliminate the hurdles that prevent you from acquiring new technology
- Explore, evaluate and deploy new software without the risk
- Reduce infrastructure and avoid administrative costs
- Simplified access from a single centralized source
- The convenience of online training, remote licenses
- Direct support from the software experts

APA helps you reduce costs, accelerate time to market and drive better business decisions.

“Altair’s HyperWorks solutions as well as the APA solutions have helped us increase our CAE business unit. While we have expanded our work force, we also have more customers, and are able to meet their requests better by covering more service and application areas, which leads to considerable business growth in the last years.”

Stefan Vogler Leader CAE, M.TEC GmbH
